

Appendix to application MSc in Mechanical Engineering

This appendix helps the Admission Board evaluate your Bachelor's degree in regard to the admission requirements. Please fill in the appendix and upload it to your application in the application portal.

Personal information

Your full name	
----------------	--

Courses passed (or currently taking) as part of your Bachelor's degree

In order to be admitted to the programme, you must have pre-requisites in Mathematics. Please complete the form below specifying how you meet these requirements.

Required subject area	Course title(s)	Credits	Semester
Calculus			
Ordinary differential equations			
Systems of ordinary differential equations			
Partial differential equations			
Vector differential and vector integral equations			

If you **do not** have a Bachelor's degree in Mechanical Engineering, please complete the form below specifying which courses from your degree are within the field of Mechanical Engineering.

Required subject area	Course title(s)	Credits	Semester
Mechanical Engineering subjects			

Mechanical Engineering subjects
