

Appendix for Computer Engineering Master Program Application

Full name: _____

Bachelor program: _____

Institution name: _____

Date you started the program (MM-YYYY): ____ - ____

Have you completed the program? YES, Date you completed (MM-YYYY): ____ - ____

NO, **Expected** date to complete (MM-YYYY): ____ - ____

Have you taken or planned to take the relevant courses to the subjects listed below?

If YES, please provide information in terms of course name, semester, confrontation hours and status (*Completed, On-going or Planned*), e.g., Calculus, 2nd semester, 56 hours, Completed.

Calculus:

Linear Algebra:

Stochastic Modeling and Processing:

Probability Theory:

If you have obtained any other bachelor or postgraduate programs, please give the information below (Institution, country, program name, start and end dates).
