Application form regarding withdrawal and significantly improved study possibilities

This form must be used:

- **if you have previously been enrolled in the same degree programme at Aarhus University or another Danish University.**
- **if you withdrew yourself, but could have been withdrawn; or if you are enrolled, but will be withdrawn due to inactivity, used examination attempts or exceeded maximum time of study.**

The university must assess whether or not your possibilities of completing the degree programme have significantly improved since your previous enrolment. The assessment may include e.g. academic or health-related circumstances.

The assessment and decision will be made by the university in connection with your application for admission/re-enrolment/transfer/change of study as part of the criteria for admission.
