Courses passed (or currently taking) as part of your Bachelor's degree

Please complete the form below specifying what courses you have in the various areas.

If you have not passed a course yet, you omit the grade. Otherwise copy the grade and credits from your transcript (do not try to convert it).

Subject area	Course title(s)	Credits	Grade
Programming (e.g., object-oriented programming, functional programming, software architecture).			
Computer systems (e.g., databases, computer architecture, networks, operating systems, distributed systems and security).			

Theoretical computer science (e.g., design and analysis of algorithms and data structures, logic and computability, formal languages and compilers, optimization, complexity theory, and machine learning).			
Human-Computer Interaction (e.g., interaction design and experimental system development).			
Mathematics (e.g., calculus, linear algebra, probability theory and statistics).
