Date: (DD/MM/YYYY) / /

CHECKLIST *Please ensure that all of the following documents are attached:*

<input type="checkbox"/>	Completed and signed application form
<input type="checkbox"/>	If you already have a bachelor diploma, you must send this together with an English translation showing examination subjects and results for each examination.
<input type="checkbox"/>	If you have not yet finished your bachelor's degree, you must send a transcript of records, along with an English translation, showing the examination subjects and results you have achieved so far. The documents must be officially certified by your home institution.
<input type="checkbox"/>	Official descriptions of relevant courses to be completed after the application deadline.
<input type="checkbox"/>	An official description of the marking scale used at your home university.
<input type="checkbox"/>	Documentation of your language qualifications.
<input type="checkbox"/>	Motivation letter where you describe your academic interests and reasons for applying (maximum 1 A4 page).
<input type="checkbox"/>	Summary of official course descriptions in English briefly describing the contents of your specific BA courses or other information that will contribute to describing the contents of your bachelor's degree programme (e.g., projects or major assignments relevant for the MSc in Neuroscience and Neuroimaging).
<input type="checkbox"/>	Documentation for your citizenship (e.g., copy of passport)

*Applications will not be reviewed until **all required documents** have been received. Candidates are responsible for ensuring that all documents are submitted on time.*

STATEMENT OF UNDERSTANDING

I hereby certify that to the best of my knowledge the information provided in this application and in the enclosures with this application is accurate, complete, and honestly presented.

I certify that all information submitted on my behalf is authentic.

I understand and agree that any inaccurate or misleading information, as well as any omission of information, can result in the cancellation of any offer of admission.

Application form Neuroscience and Neuroimaging

ACADEMIC ADMISSION REQUIREMENTS

Admittance to the MSc programme in Neuroscience and Neuroimaging is based on:

- A successfully completed bachelor's degree (or equivalent) or higher.
- A high-level of English language proficiency.

Examples of eligible bachelor's degrees to the MSc programme in Neuroscience and Neuroimaging are:

BSc in Biochemistry, BSc in Biology, BSc in Biomedicine, BSc in Biotechnology, BSc in Biomedical engineering and informatics, BA in Cognitive science, BSc in Electrical engineering, BSc in Healthcare technology engineering, BSc in Medical chemistry, BSc in Medicine, BSc in Molecular biology, BSc in Molecular medicine, BSc in Nanoscience, BSc in Pharmacology, BSc in Physics and BSc in Sports science.

SELECTION CRITERIA

Students must be above average in at least one of the following categories:

Mathematics & technology	Biology & chemistry	Medicine & cognition
E.g., mathematics, statistics, informatics, programming, classical physics	E.g., biology, molecular biology, cytology, chemistry, pharmacology	E.g., physiology, anatomy, biomechanics, cognition

In evaluating qualified applicants, the admissions committee assesses each applicant based on the following criteria and on the supplied documented information hence marks/grades obtained after the application deadline are not included.

Academic background (75%)

This criterion includes average mark of a BSc degree and the average mark of relevant courses weighted after the study load (ECTS credits)

Other relevant experiences (25%)

Relevant work experience, Bachelor projects, laboratory projects etc.

ENGLISH LANGUAGE REQUIREMENTS

English language skills equivalent to an 'English B level' in Denmark are required and can be documented as listed below. Graduates from a Danish "Gymnasium" have at least an English level B by default.

- IELTS: Minimum score of 6.5
 - TOEFL with a minimum score of:
577 Points in the paper-based test *or*
233 Points in the computer-based test *or*
90 Points in the internet-based test
- Cambridge ESOL examinations**
Certificate in Advanced English (CAE) or First Certificate with grade A as a minimum.
Applicants must upload their **Confirmation of Entry** stating **candidate ID number** and **candidate secret number**, which are not stated on the test result itself.

**Application form
Neuroscience and Neuroimaging**

- CEFR validated English language course
C1 level

Applicants exempted from submitting an English test are:

- “Native speakers” with a qualifying exam taught in English (including applicants with a qualifying exam from either USA, Canada, Australia, New Zealand, Great Britain, Scotland, or Ireland taught in English).
- Applicants holding either a Danish/Nordic/Duborg/[International Baccalaureate \(from the IB diploma programme\)](#)/European Baccalaureate (from the “ScholaEuropaea”) diploma with English language proficiency equivalent to [English level B in Denmark](#).
- Applicants with an English language bachelor’s and/or master’s degree from USA, Canada, Australia, New Zealand, Great Britain, Scotland or Ireland. It must be documented that the teaching language was English.

SUBMIT YOUR APPLICATION – THE DEADLINE IS MARCH 1ST 2025

By submitting your application, you agree on that you are applying for a full degree Master’s Programme (120 ECTS) AND you must be in China throughout the entire study period.

Please send this form and all accompanying documents by e-mail to: admission@sdccu.dk
